Lovely Rural Setting.....

Our berry farm is located on a 5 acre site in Gardnerville, Nevada. The two-story ranch home built from 1869 to 1898 has a

bead board wood interior and high ceilings. The house has been lovingly restored to original condition with additional conveniences for comfort. All rooms are furnished in antiques from the late 1800s and early 1900s.

We've planted over a hundred trees, sprawling lawns, flower and vegetable gardens. A one acre berry field is beginning production with 1000 raspberry and blackberry bushes.

In addition, our 4500 square foot historic barn has lighting and can be the setting for music and dancing, cake cutting, the wedding ceremony, dinners, or meetings.

Weddings & Receptions

Our historic two-story ranch home provides a romantic location for the bride and groom to get ready for their wedding, perform the ceremony and enjoy a garden party with their guests.

The upstairs of the house is the perfect place for the bride to get ready for the wedding. She will glide down the stairwell through tall double doors to the outdoor venue where guests and the groom await.

After the ceremony the guests can collect under the apple trees for drinks and dinner. The gardens, berry fields, barn and outbuildings provide a rustic, yet elegant, setting that will create memories for everyone.

Reunions, Retreats, Meetings

Our barn, yard and nearly 20,000 square foot back lot are available for picnics, dances, or meetings with your group.

Enjoy relaxing or roaming around the historic farm with many out buildings including a bunk house, blacksmith shop, smoke house, a restored out house, pig barn, dairy, chicken coop, and lean-to buildings.

Use of our outdoor areas will be in a ranch setting and can include group fun like horseshoes, croquet, or other games.
